Starting January 8th, Grow with us in 2023 and read through the New Testament!

The Bible is God's Word written to us. By opening our Bibles and being diligent about connecting and communicating with God through His Word, we grow stronger in our faith and relationship with God.

Here, you'll find a weekly breakdown of what verses to read to stay on track. The following plan accounts for five days of reading, allowing for two days off.

We encourage you to do this alongside friends and family and see how God works in your life.

Follow along with us on social media to stay engaged! Weekly updates and discussions on our Instagram and Facebook channels.
